## For the parent or teacher

Children learn when they play. With *Compass Play Fun* workbooks, children will have so much fun they won't even realize they're learning. Big, bold illustrations introduce words that are relevant to young children's lives and interests. Simple yet engaging activities teach children how to hold a pencil, trace lines, and write the letters of the alphabet. Letters and words are reviewed with simple activities that help them stick in children's memories.

In *Alphabet Words*, children will become familiar with easy and high-frequency words for each letter of the alphabet, helping them to see the world around them in English.

The below icons are included throughout the book. Making sure children understand these icons will give them independence in their learning.

**Color.**

**Circle.**

**Trace.**

**Write.**

**Draw lines.**

# Aa

astronaut

Trace and write.

Color the pictures that start with **a**.

astronaut

ax

crayon

alphabet

insect

apple

# Ff

frog

Trace and write.
